Class Leaders Spark Interest, Action

Beginning something "new", the freshmen must readily adjust to the "High School World". They must overcome getting in the wrong room at the wrong time and even though many new avenues of activities open, they must also try to get a little "readin', writin', and 'rithmetic.

For the annual Halloween Carnival, the freshman class had a White Elephant Sale.

Manuel Sanchez Receives Nathan Award

One of the highest honors a football player can receive is the Nathan Award. This award goes to a senior boy who his teammates feel has tried the hardest and made the best contribution to the team.

Because of his outstanding job this year, Manuel was chosen as one of the football captains, made the All-District team and received Honorable Mention on the All State Team.

Manuel had pride, leadership, and was a conscientious player. He played four years of high school football. His first two years were played on the "B" Team. Even though he was the smallest man on the team, he was the man that would hit the hardest. He was a big threat on kick-offs. Because he excelled so, his sophomore year, he moved up to the Varsity. His senior year, playing on defense, he knew where each player was going and whether the quarterback was going to pass or run with the ball.

Because of his ability to do all things well, Manuel Sanchez received the Nathan Award.

Spirit Increases as Broncos Move Into New Gymnasium

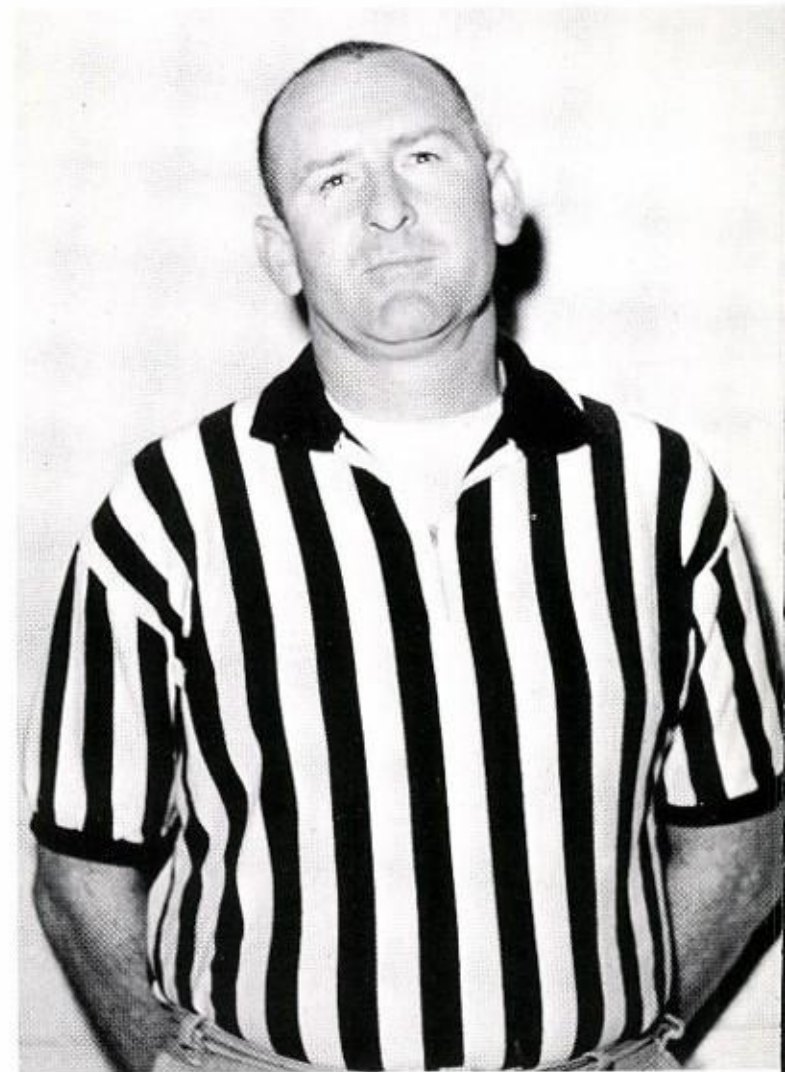

Battling "B" Team

Unquenchable team spirit and cooperation drive B-team members into a lay-up shot which is made by Eddie Sutton.

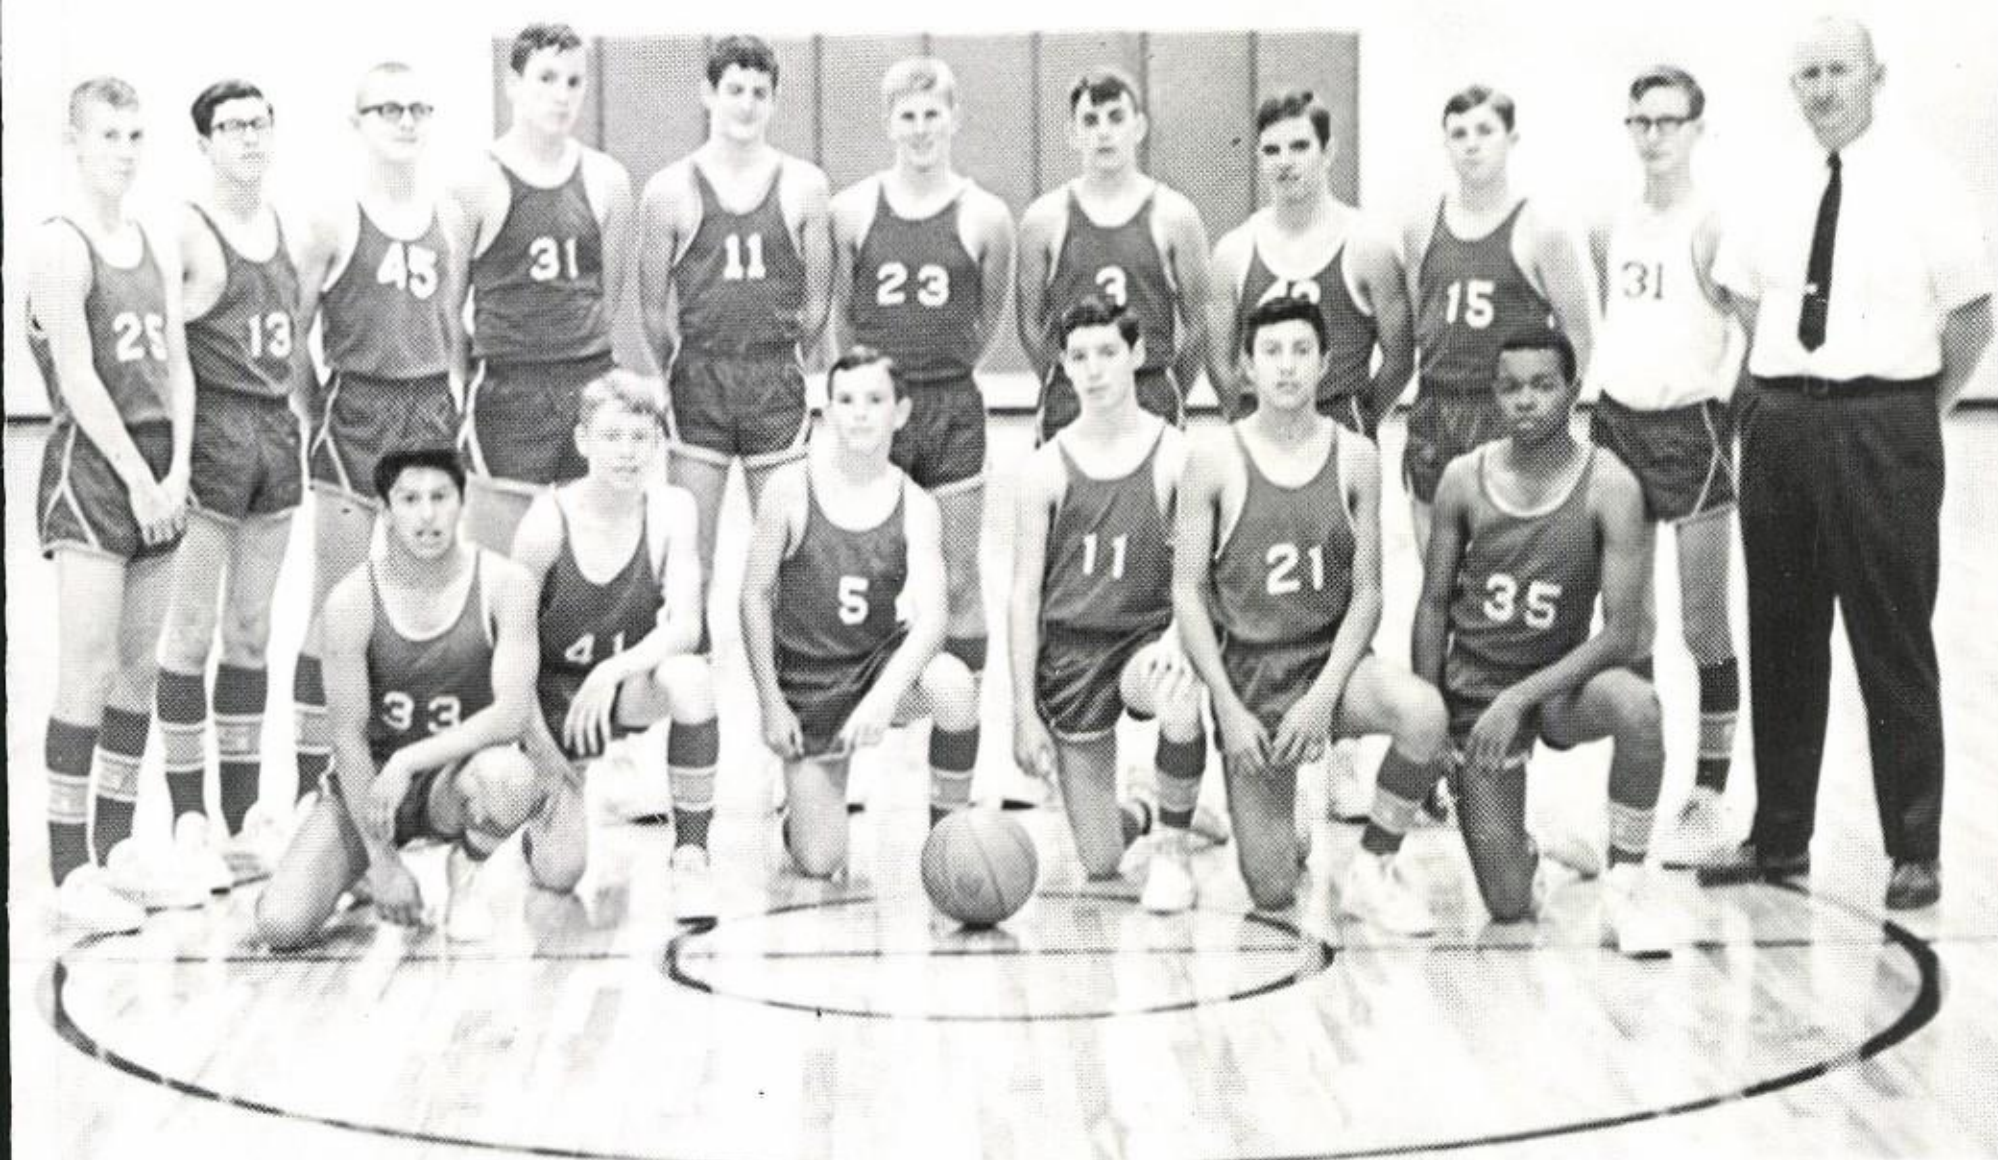

There amid all his glory and minus his hair stands the hope of the B-Team's future, Coach Bob McMinn.

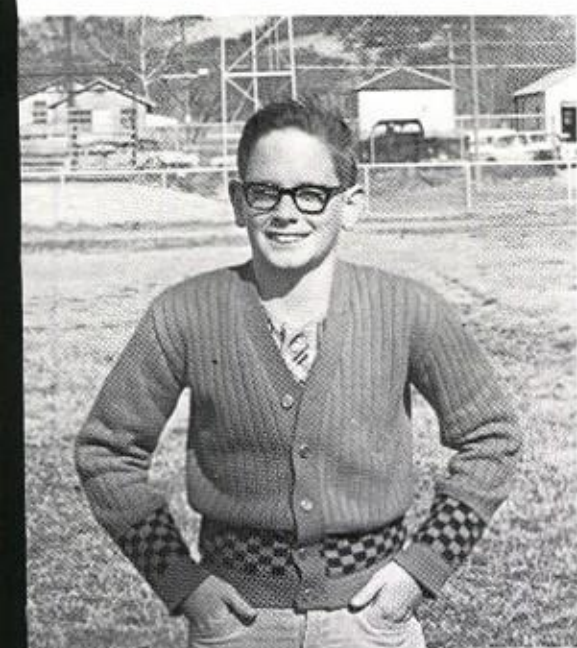

Terry makes an effort to increase the score while Dick looks on in a mild state of shock. Meanwhile, Arnoldo prepares for the rebound.

Dear Students,

Voltaire once said, "If God did not exist, it would be necessary to invent him." If children did not exist, it would be impossible to invent them - for who could ever think them up.

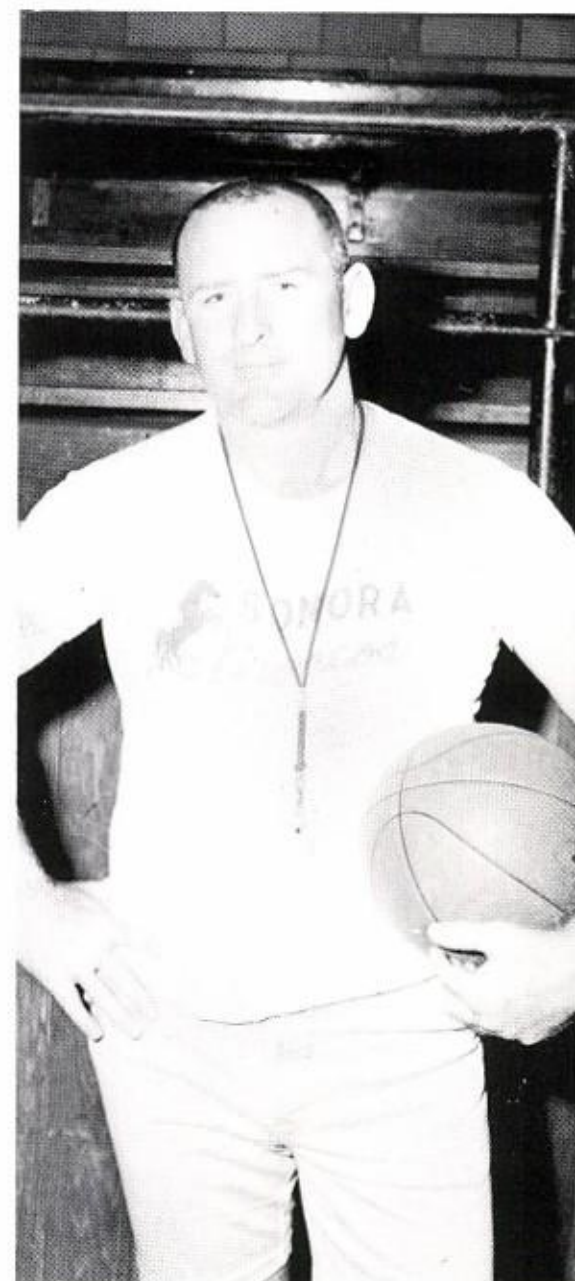

The mixture of adventure, the unexpectedness, kindness, loyalty, love, mischeviousness, and all the other ingredients which compose your character is part of what makes teaching a genuine pleasure.

Congratulations on a job well done. I hope your future years will bring you just as much happiness as we have had during the past school year.

A black and white photograph of four children standing in a row against a brick wall. From left to right: a boy in a plaid shirt, a boy in a dark sweater, a boy in a striped shirt, and a girl in a ruffled dress. The children are all smiling and looking towards the camera. The background is a brick wall with a window or door frame visible on the left.

To promote overall
School spirit.
